- 4) The following errors in the manuscript should be corrected:
- In “Website Curator” Sofia Ahsanuddin’s name is incorrectly spelled as Ahsannudin

 - For Ayokunle Christopher Dada’s affiliation, Auckland City should be Auckland, Hamilton and Rotorua (New Zealand).
 - In the “Inaugural MetaSUB International Meeting Speakers” section, Russel Neches should be “Russell Neches”
 - In the section *DNA extraction*, Proteinase K is not in the Polyzyme mixture and therefore the sentence should read: ‘Currently, members of the consortium are testing a newenzyme cocktail for DNA extraction consisting of lysozyme,mutanolysin, achromopeptidase, lysostaphin, chitinase, and lyticase’.
 - Elena M. Vayndorf is the correct full name for Dr. Vayndorf.
 - The legend of Figure 1 should read, “Compliments of the ABRF Metagenomics Research Group”
 - Table 2 heading should change from “Contact pis” to “Contact PIs”
 - Emails for PIs of Doha are
a.chatziefthimiou@richenvironments.com/
salama.b.chaker@gmail.com
 - Dr. Niyaz Ahmed should be removed from the “MetaSUB Consortium Members” list.
