# Correction to: Amniotic fluid from healthy term pregnancies does not harbor a detectable microbial community

Efrem S. Lim<sup>1,2</sup>, Cynthia Rodriguez<sup>3</sup> and Lori R. Holtz<sup>3\*</sup>

**Correction to: *Microbiome* (2018) 6:87**

<https://doi.org/10.1186/s40168-018-0475-7>

Following publication of the original article [1], the authors reported a typographic error in the type of master mix kit used, the text should read as:

“The qPCR was performed using Fast SYBR Green Master Mix (Thermo Fisher).”

The authors regret this error and the inconvenience caused.
